

**Range
High School**

**Southport
Learning
Trust**

Dear Parent/Carers,

I would like to extend a very warm welcome to all of you. My colleagues, our students and I are delighted that you have taken the time to visit Range High School.

As many of you will know, this school has a long and proud history of serving Formby and the wider community. Throughout this time, the school has had many accolades and has been instrumental in helping countless young people to go on and achieve great things in their lives. We have an excellent record when it comes to examination success for students of all abilities and that record continues to improve with our 2024 cohort having secured extremely strong results at A-Level, BTEC and at GCSE!

Range, however, is about much more than examinations. We encourage all of our students to take part in a lively and varied enrichment programme including Performing Arts and Dance, the Duke of Edinburgh Awards, World Challenge as well as a wide array of sporting activities. Many of our staff run trips and visits both at home and abroad to enhance your child's learning experience outside of the classroom. Please take the time during your visit to ask our older students about their experiences, they really are the people with the inside knowledge! The staff will of course have lots of information to share with you as you meet them in their departments. We are also very excited to have joined the Southport Learning Trust as from 1st September 2024. As part of this larger family of schools across the area, we will have the opportunity to get involved in an even wider programme of activities for all our students.

I am determined, as are all the staff, to ensure that Range offers the very best education possible to your child. We aim to place the 'individual' at the heart of what we do so that everyone can achieve to the very best of their ability. We are excited at the prospect of educating your child and to building relationships with you that will last for many years.

I do hope you enjoy your visit with us, please feel free to ask any questions. I appreciate that deciding where to send your child for secondary education is a big moment in your family life.

I hope we can assure you that Range High is the school where we will do our very best for your child, that it is a place where they can flourish. I look forward to meeting you.

Yours sincerely,

Mr M McGarry
Headteacher
